New in the fleet!

6.26 ELECTRIC Fixed Telehandlers

Manoeuvrable, quiet and durable. The 6.26 fully electric telehandler is suitable for a wide range of tasks thanks to its lifting capacity of 2.6 tonnes and a maximum height range of almost 6 metres.

With its durable and quiet power, this telehandler can be used in urban areas and in many previously excluded environments: closed places, high-population environments, train stations and airport areas, historic centers and greenhouses.

100% electric

Low noise level

Very agile

Technical data

6.26 Electric

Rental number	453506
Lifting capacity (kg)	2600
Lifting height (m)	5,90
Range (m)	3,20
Weight (kg)	5.390
Turning radius (m)	3,25
Speed (km/h)	12
Quick coupling	Manitou hydraulic

Dimensions

Length (m)	4,04
Width (m)	1,89
Height (m)	1,94

Engine

Drive	Electric
Power (hp)	40
Battery charger	On Board 230V & 380V
Charging time (0-80%)	230V (16A) in 9 hours 380V (16A) in 3 hours

✓ 100% electric

✓ Low noise level

✓ No CO2 emissions

✓ Spacious cabin
